PROFESSIONAL SUMMARY

Results-driven E-commerce Virtual Assistant with 5+ years of hands-on experience managing 150+ customer emails daily and 350+ SKUs across Amazon, eBay, Walmart, and a branded web storefront. Proficient in Freshdesk, Listing Mirror, Helium 10, and Google Sheets, with a strong track record of maintaining accurate, SEO-optimized product listings, editing web pages, and coordinating promotional banners to keep storefronts visually consistent and conversion-ready. Combines real operational depth with AI-augmented workflows to deliver work that is faster, sharper, and more consistent than a traditional VA.

KEY SKILLS

Amazon Seller Central • Product Listing Management • Inventory & SKU Management (350+) • Customer Inquiry Management • Order Processing & Fulfillment • Email Management (150+ Daily) • SEO Optimization • AI-Assisted Listing Copy • Freshdesk • Helium 10 • Google Sheets • Attention to Detail

PROFESSIONAL EXPERIENCE

Virtual Assistant — Customer Service & Product Listing

Amazon Seller, Cellphone Accessories (Remote) | July 2021 – Present

- Manage 150+ customer inquiries daily across Amazon, eBay, Walmart, and a branded website, maintaining a 100% daily email resolution rate with a 2-hour response time target
- Oversee and maintain 350+ SKUs across multiple marketplaces, ensuring accurate pricing, inventory levels, and listing quality at all times
- Process 10 to 20 manual replacement orders per day, resolving escalated order issues accurately and efficiently
- Create product listings from scratch and optimize existing ones, including generating SKUs through GS1 US and optimizing titles, bullet points, and descriptions for search visibility
- Build and update web storefront pages for new product launches and keep content accurate and conversion-ready
- Design and coordinate promotional banners for Amazon Prime Day and US holiday sales seasons
- Contribute to a 4.9-star Trustpilot rating driven largely by customer praise for fast response times and immediate issue resolution
- Utilize Listing Mirror, Freshdesk, and Google Sheets to manage listings, track tickets, and keep multi-platform operations running smoothly

Account Executive — Customer Service

Flatworld Solutions (Philippines), Inc., Davao City | July 2019 – June 2021

- Handled 200+ customer emails and live chats daily across Freshdesk, Amazon, eBay, Walmart, and Facebook, consistently maintaining a 90%+ quality score
- Resolved inquiries spanning billing, order issues, and general support with a focus on first-contact resolution and customer satisfaction
- Maintained a perfect attendance record throughout entire tenure, demonstrating exceptional reliability

Data Annotator — 3D LiDAR Annotator, Tasker & Reviewer

KKC Outsourcing Corporation & Remotasks, Davao City / Remote | October 2018 – March 2021

- Annotated 200+ LiDAR images per day for AI and autonomous vehicle training datasets, consistently meeting accuracy and volume targets
- Promoted from Tasker to Super Reviewer, taking on quality control responsibilities across large batches of team submissions

Customer Service Staff — Technical Support

CF Internet Cafe, Davao City | February 2017 – July 2018

- Assisted walk-in customers with computer needs and provided basic technical troubleshooting to ensure smooth, uninterrupted service
- Managed computer usage, monitored equipment functionality, and maintained an organized environment
